MEMORANDUM FOR: Acting Deputy Director for Administration

FROM: [REDACTED]

Director of Security

SUBJECT: Office of Security Significant Activities
Week of 22 January 1981 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)

2. The activities of the Office of Security during the week of 22 - 28 January 1981 were highlighted by the following items:

25X1

a. On 21 January 1981, a member of the Safety Group and representatives from the Maryland Fire and Rescue Institute attended a meeting at the Department of State chaired by State's Assistant Director of Medical Services for Occupational Medicine to review the status of a proposed training film to be used in conjunction with

25X1

[REDACTED] It is anticipated that the first filming segments will begin on or about the week of 16 February 1981. It is hoped that the entire training packages will be ready for field distribution in July 1981. (U)

WARNING NOTICE
INTELLIGENCE SOURCES
AND METHODS INVOLVED

SECRET

d. During the reporting period the Security Education Group (SEG) completed Security Awareness Briefings for NFAC's Office of Strategic Research. The projected SEG schedule includes a series of reindoctrination briefings for the Intelligence Community Staff at the Community Headquarters Building to be presented on 9 February and 19 February 1981. (U)

e. On 22 January 1981, the final report of the security audit of the Intelligence Community Staff (ICS) was forwarded to the Deputies for Resource Management and Collection Tasking. Chief of Administration of the ICS was briefed on the results of the audit on 22 January 1981 by the Deputy Director of Security (PTOS) and the audit team members. (U)

25X1

h. On 23 January 1981, a member of the Briefing and Services Branch, Technical Security Division, presented an in-depth briefing (three hours) to the 32 students in the NSA Senior Cryptologic School CY-200 course. (C)

i. On 23 January 1981, Chief, Information Systems Security Group, attended a Technical Threats Working Group meeting chaired by the D0 CI Staff. Purpose was to discuss security concerns regarding the proposal to install and use the CRAFT system at overseas stations and bases. (AIUO)

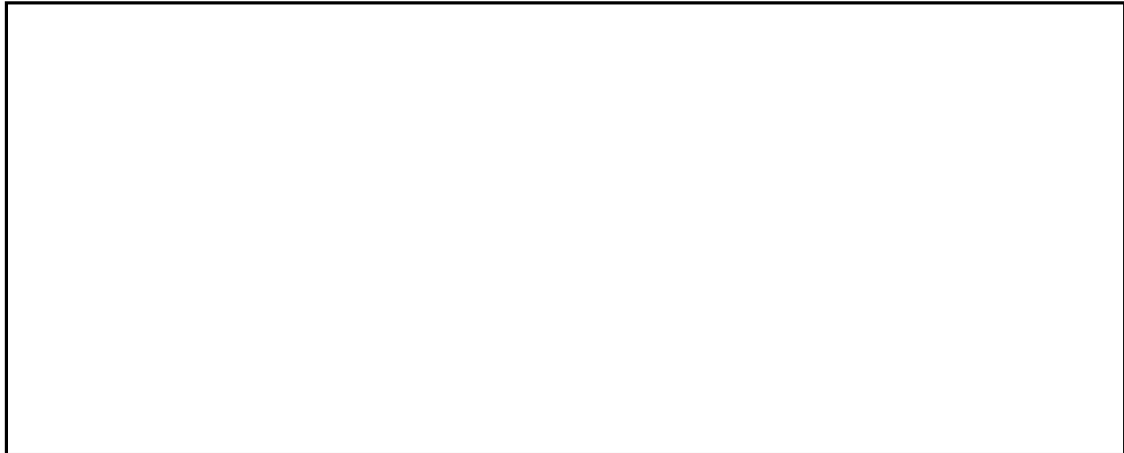

j. During the reporting period, arrangements were made to provide security support to Agency officials providing "worldwide" intelligence briefings to several recently reorganized congressional committees. The dates of the briefings and the committees involved are:
